Dear All,

*Greetings from Wazir!***"Freedom is not worth having if it does not include the freedom to make mistakes."****- Mahatma Gandhi**

This Independence Day, we celebrate the courage, vision, and determination that shaped India's journey towards freedom. From the sacrifices of our freedom fighters to the aspirations of a new generation, the spirit of independence continues to inspire us to think boldly, act responsibly, and build a better tomorrow.

As we look towards the future, let us carry forward the values that have shaped our nation: unity in diversity, resilience in adversity and the courage to dream bigger. India's progress is shaped by each one of us, through the choices we make, the communities we strengthen and the positive change we create around us.

May this Independence Day inspire us to honour our past, embrace our present, and work towards a future that reflects the aspirations of a new and progressive India.

Happy Independence Day!

Jai Hind!

Best Regards,

Team Wazir**The Strategy & Consulting Club****Indian Institute of Management, Rohtak**
